9.9.21

Dear Sean,

For the past four years I have organised an informal coffee morning in St. Mary's church for the ladies of Merrymeet. We meet once a fortnight from about 10-30 until 1-30, sometimes 12/14. We have 4/5 ladies sometimes 12/14. We put £1 for tea and coffee or £1 for a raffle ticket. Any money made goes back into the group and we have made small contributions to the church for use of the kitchen.

Now Covid lockdown has been lifted we have been asked to pay £6 per hour to use the church, As we do not make any money this cost will stop this group from continuing. So having a small contribution from the parish council

will help and support the community after covid. This is key to bringing the community back together again.

Best Regards
Sean
