**Subject:** Climate Emergency

Hi John - I know the Parish Council has been up to its elbows recently, trying to prevent the encroachment of Liskeard Town. *However*, 'Climate Emergency' is exactly what it says on the tin and several local parish councils as well as Liskeard Council have declared this. As far as I know, however, Menheniot has not done so yet. Can you tell us (maybe in the next issue of the Parish magazine) what, if anything, is happening in this regard?

(I am spurred to ask this as I was told last evening that there is a Cornwall Council meeting on 6th November in Wadebridge; in which 'Climate Emergency' is one of the topics; so now seems a good time to mention it.)

Please let me know what you think - and tell me if I'm already out of date on this!
