Subject: Small Grants & donations

To Menheniot Parish Council

Menheniot Sports Association (MSA) (Charity No. 1064953) would like to apply for a £100 donation towards a Rain Shuttle Squeegee. The cost is £189.99.

We have so much rain now and sadly sometimes the Multi Use Games Area (MUGA) becomes flooded. Being able to squeegee water straight off the courts will ensure lost time is minimal.

As you all know the MUGA is extremely well used by the community, we have a thriving tennis club, it is used weekly by mens, women and children for football and the local school use it giving the children another safe and enjoyable facility. There is a large coaching programme that also takes place giving children and adults the opportunity to participate in sport either free or a heavily subsidised cost.

We obviously can't do anything about the weather but we can ensure the water is dispersed of as soon as possible with our team of volunteers. Please see images below

Kind Regards

Ian Harris
